Academy Conversion

Dear Parents/Carers,

As many of you will be aware, Two Village was directed to become an academy as part of the Vine Schools Trust in 2017. Despite preparation for becoming an academy at various points in the last three years, for a number of reasons, the school has been unable to convert to an academy. As explained earlier this year, we were due to join the Vine Schools Trust on April 1st. However, unfortunately things were again delayed due to the Covid-19 pandemic.

We are now pleased to inform you that we have recently been advised that Two Village will finally become an academy on 1st September. As it is so late in the term and we are unable to hold a meeting, we are hoping that once we return in September, as soon as it is safe to do so, we will be able to organise a way in which parents and carers can meet the Vine Trust's CEO and ask any questions that they may have. As an introduction to the Vine Schools Trust, we will be sharing the Summer Term Vine Worship with you all next week via Dojo. In the meantime, if you would like to find out more about the Vine Schools Trust, you can visit their website: <https://www.vineschoolstrust.co.uk/>

We would like to reassure everyone that becoming part of the Vine Schools Trust will provide many positive opportunities for Two Village and that becoming an academy will not cause any major changes to the school that would affect our children and their families. We look forward to sharing news of our work with the Vine Schools Trust with you next year.

Yours sincerely,

A handwritten signature in black ink that reads 'N Bennett'.
