Dear Parent/Carer

Following a review of our catering costs, we have come to the difficult decision that our charges for school meals need to increase for the next academic year.

From September, the cost of a school meal will increase by 10p. For pupils, this is a rise from the current price of £2.30 to £2.40 and a rise from £2.70 to £2.80 for visitors.

We will continue to ensure that your child receives a good quality and nutritional meal, and value for money.

The increase in school meals will not affect those who are entitled to free school meals through the Universal Free School Meals programme for children in Early Years, Class 1 and Class 2. It will also not affect children in Key Stage 2 who have a free school meals entitlement.

If you are unsure of your eligibility for Free School Meals please speak to the School Office or alternatively, if you would prefer, further information can be found online using the link below.

Incidentally, if your family would be entitled to free school meals but you have chosen not to make an application, there are many benefits of making an application and we would encourage you to do so. If you would like to know more, please contact the School Office.

Yours sincerely,
