

Hazel Class Remote Learning Newsletter

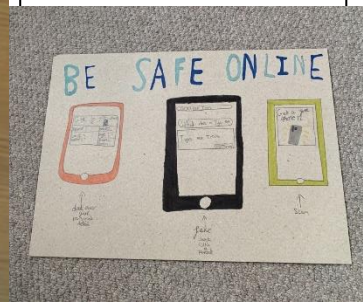

5.2.21

Hello. First of all I would like to say a big well done to all of you; children and adults for the huge amount of effort you have put into your home learning. The work that has been fantastic . Here is a selection of some of the amazing work that has been produced.

Zak has produced some great work on electrical circuits. Well done

Hollie's amazing poster

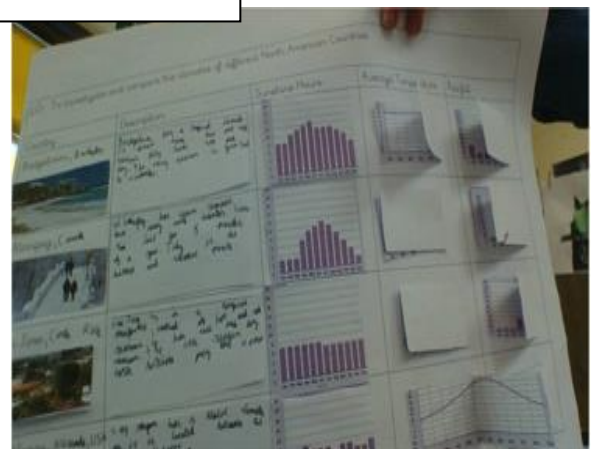

Bella's fantastic poster

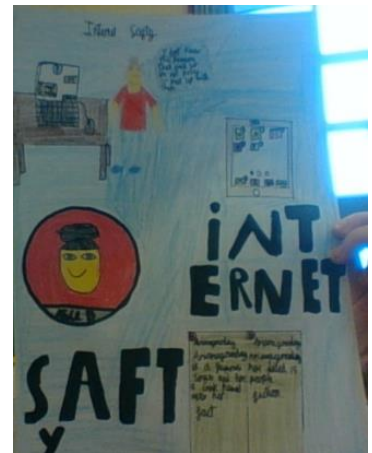

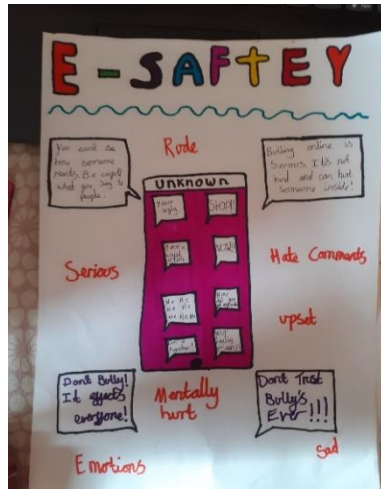

Poppy enjoying a fun science experiment. Making a lava lamp!!

Callum investigating electricity and some brilliant work on North American climates, including comparing rainfall and sunshine hours

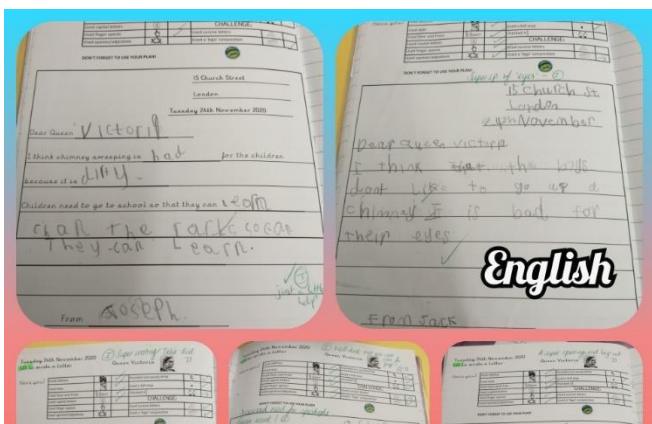

We have been talking about online safety and how do you know if something is fact or fiction?

Imogen's fantastic poster
