Parent Consultation Evening

Monday 3rd April—Friday 14th April

Easter Holiday

Dear Parents and Carers,

This week we launched our new home/school communication platform Weduc. Please check your emails for details of how to sign up and activate your account. For the time being, we will share newsletters via email and on Weduc each week but will move over to Weduc for all newsletters and general information and reminders as we move into the summer term.

It was wonderful to welcome some of our parents and carers to our celebration worship this week. If your child was nominated, a huge well done for keeping it a secret from them as it was lovely to see their surprised faces this morning. We are looking forward to sharing this with some of you each week—keep an eye out for an invitation!

I am still looking for some equipment below to support with outdoor activities at lunchtime. Thank you to those parents who have already brought things in or offered to source things. We have tyres and pallets but area still in need of items listed. If you can help in any way, please come and let me know.

I also would love some reading helpers to come into school for just a couple of hours each week to support in listening to some of our younger children read. I have had one parent express an interest so far but would like three or four to help out if possible. You need to be willing to have a DBS check done and if you would like some training, this can also be provided. Please contact me if you have an hour or so that you can spare to help.

Have a great weekend!

Mrs Jones

Reading Challenge

Pine	57%
Sycamore	42%
Chestnut	40%
Willow	70%
Hazel	73%
Oak	67%

Well done to Hazel Class

Class Attendance

Congratulations to Sycamore Class and Oak Class for winning this week's attendance with 94%

Lunchtime Equipment

We would like to give the children the opportunity to be creative at lunchtime and are looking for the following items:

Planks of wood (large enough to walk on) cars, small world figures such as playmobile, dinosaurs etc, Lego and milk crates.

If you or anyone you know locally could help us with this, please let the school office or Mrs Jones know.

Parent Forum

A new half-termly parent forum will give you the opportunity to come into school and find out about news at Two Village. You will have an opportunity to ask the leadership team questions and even have a bit of cake or a biscuit!

The next forum date is Tuesday 18th April at 2pm.

Thank you Galloper Windfarm

This week, we were delighted to have some representatives from Galloper Windfarm help tidy and repaint the covered area outside of the dinner hall. We are looking to make this into a lovely quiet area that the children can use for small group work and quite al fresco dining in the warmer weather. Thank you to Galloper for providing your help free of charge to give back to the local community.
