

**Dates for your Diary**

29th May-2nd June—Half Term

6th June—Parent Forum Meeting

**Next week we will be on Week 2 of the new dinner menus**

Dear Parents and Carers,

This week, the children in year 6 have enjoyed a fun day at the beach as a ‘well done’ treat for all their efforts in their recent exams. Next week they will start full rehearsals for their performance of ‘Greece Goes to Pieces.’ Details about tickets will be shared after half term.

The weather has been glorious this week and if you have not already, please make sure that on the sunnier days we are now getting, your child comes to school with sunscreen on. We cannot apply sunscreen in school so for our youngest children, please use a long lasting cream and provide a sunhat.

Does anyone remember the old Bob Hoskins advert for BT? “It’s good to talk”. The message from Bob back in the (and our team at Two Village) is that communication is key. When we are talking with people about our children, the most precious things in our lives, emotions are often heightened. However, at Two Village it is vital that the communication between us does not break down and that communication is open and respectful. If you have any concerns, please come and speak with us in the first instance and if you still don’t feel satisfied with an initial response, please come back to us so that we can help get things right.

The convenience of emails and social media means that things can be sent and posted without recourse. We are always happy to meet with parents and carers so please drop us a message via Weduc and we can arrange an appointment for you. We always encourage parents and carers to speak with school to resolve any issues rather than trying to sort things out yourselves outside of school. This can often lead to misunderstanding and further issues arising. We are here to help so please don’t feel that you cannot come to us about anything that you need to.

Have a lovely weekend

Mrs Jones
